WOMEN'S SWIM TEAM

To any individual, a job well done brings a satisfying feeling. And to team a good season brings an equally gratifying feeling. The Andrew Warde Varsity Swim Team finished their season with a competent record of 3 wins, 7 losses. The team members did exceptionally well in individual events, with each woman meeting her goal for her particular event. Records were also set by the individual swimmers in different events. In addition to new records, the Warde relay team, with team members Cindy Carley, Carol Robertson, Dana Palmgren and Cindy Szymansky, competed in the FCIAC finals and the Division L States. Cindy Szymansky also competed individually in the FCIAC's and the Division L's in the 50 and 100 freestyles. Strong performances were turned in by promising freshman Sue Horvath, sophomore Dana Palmgren and juniors Julie Cabana and Sue Ipaktchi. The senior captains Elin Kovalsky and Cindy Carley has led the team well this season. The outlook for 1983 is bright. The team has plenty of competative spirit and intend to make the 1983 season as good as possible.

This past season the Women's Cross Country Team has proven that they are a team of determination and spirit. Although the record was 1-9, the team's goal of reaching all personal goals was met and surpassed. The captain Karen Hoyland along with outstanding players Michelle Kabusk and Jennifer Tower contributed greatly to the team. Throughout the season the team showed responsibility, exceptional team work and spirit, not to mention the devotion. The outlook for the 1983 season is bright. The players are confident that the spirit and experience gained this year will be the success of next year.

Rebuilding a team is a very laborious ordeal which may span several seasons in order to flourish to its full potential. Last year the men's cross country team was rebuilt after losing experienced players and the pieces were picked up. This season the team managed to acquire a fairly respectable record of 7-8. Although the desired goal to have better than 500 season was not quite reached, the team made a good effort in proving that the scattered pieces were falling into place. Following their outstanding captain, Mike Kawalski, players Kevin Flynn, Dan Keenan, and Eric Strunk made considerable contributions to the team. Although losing their captain to graduation, the team has gained confidence and experience which will be the success the team will have for the 1983 season.

WOMEN'S FIELD HOCKEY

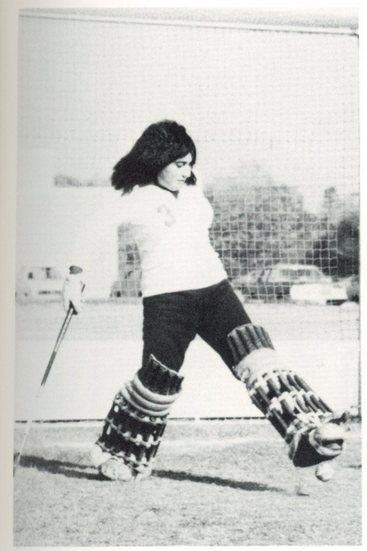
Front: J. Kauders Bottom: C. Walsh, E. Fletcher, A. Hoyda, M. Murphy, J. Conelly, Middle: J. Peterson, M. Malecki, A. Ciardi, E. O'Brien, Back: K. Mattiold, B. Hamilton, J. Anthony.

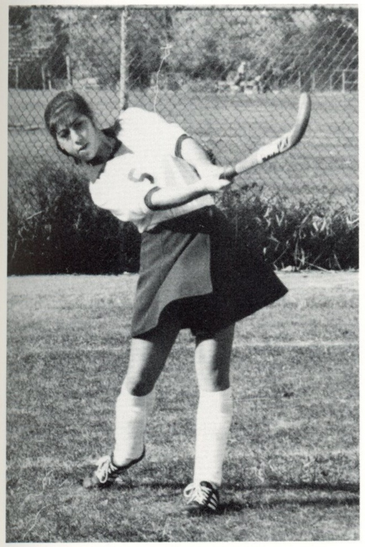
Front: K. L'Hommedieu, Middle: A. Higgins, L. Royston, P. Hamilton, A. Deak, L. Aliberti, E. Kauders, D. Akin, Back: S. Flanagan, W. Cimmino, T. Ruris, B. MacNamer, L. Thompson, A. Bertie, B. Swanberry, A. BonAtti, M. Lowney.

The Varsity Field Hockey Team set a new trend this year. Finishing the overall successful season with a 12-2-1 record, it was the best Warde team in nine years.

The defensive and offensive angles of the team was tough and effective. They sustained and fought back against many attacks by the opposing teams. The captains Beth Hamilton, Mary Pat Murphy, Amy Hoyda and Juliet Connelly brought the team to the rank of 5th position in the State. Also the outstanding offensive player Juliet Connelly along with outstanding defensive player Mary Pat Murphy both ranked in States.

Next season will hopefully follow the trend of victories the 1982 team set even with the loss of experienced players. As of now, the players who are returning next year are looking forward to an exciting and competative season for 1983.





WOMEN'S VOLLEYBALL

The Andrew Warde Varsity Volleyball Team, with the leadership from their new coach, Glen Mackno, had a very successful season this year. With the near perfect record of 15 wins and 1 loss, the Eagles captured the Eastern Division title. The team was lead by captains Melissa Needle, Amy Fairfield and Pam Hall who aided in bringing them to both FCIAC Championships and States. The volleyball team of 1982 was one of great depth. The defence was strong and not easy to penetrate. Defensive players include Debbie Ziu, Germaine Koslowski, Renee Deak and Deena Cocozza. The offensive side of the team was also strong. With the help of setters, Marianne Piorek and Melissa Needle, spikers Amy Fairfield, Pam Hall, Lynn Rochalaeu, and Kim Berecz the team was able to maintain strong attack. Outstanding player Amy Fairfield aspired to all States and all FCIAC. If the competative spirit and the golden luck of the team holds true for next year, the 1983 volleyball season promises to be competitive and awarding. Finally, the team would like to thank Coach Mackno for his time and effort spent on the team and wishes him the best of luck in the future.

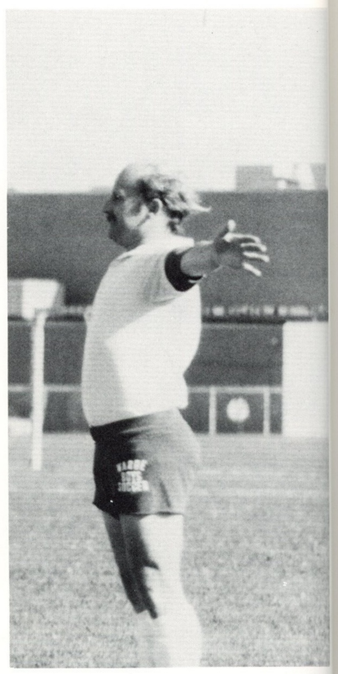
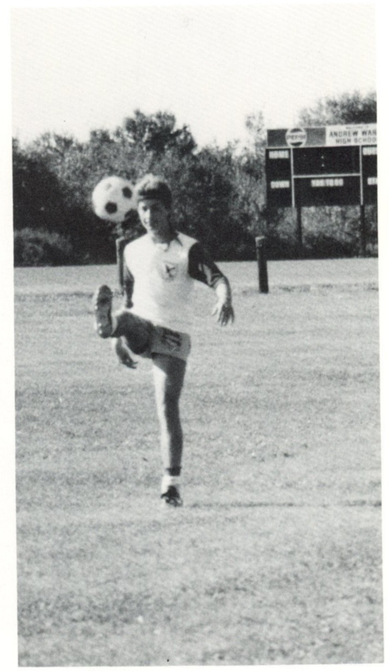
Soccer Team

Kerrigan, S. Crockford, G. Fador, J. Brownfield.

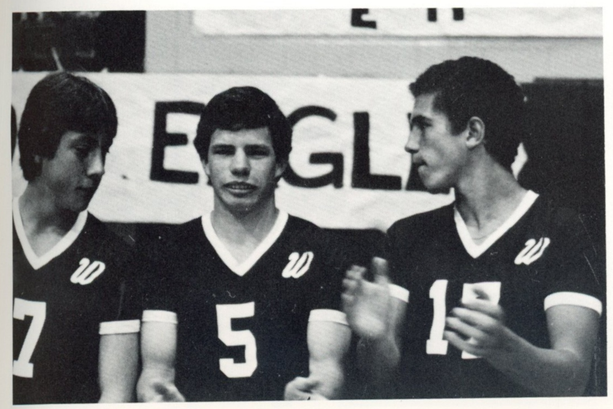




The Varsity soccer Team experienced a frustrating season this year. Although the spirit was there and the players never gave up, the team suffered due to the lack of members with previous varsity experience. However, the team did hold up well due to the circumstances. The outstanding offensive players were Doug Brown, Ted Simpson, Karl Panzer and Jose Romano; the outstanding defensive players were Mike Brown and Rich Constand. Also junior Karl Panzer made 2nd team all FCIAC, Jeff Acker made Honorable Mention all FCIAC goal-keeper and the Varsity Soccer Team was honored by being nominated All-State Sportsmanship Team. Finally, as stated by promising sophomore John Akin, because this year served as a building season, the outlook for 1983 is "expected to be much better!"

The Junior Varsity and Freshman Soccer Teams also found themselves in a similar situations. Due to the lack of experienced players, this season served as a training period. Both teams as a whole made great progress in learning the basic skills, such as goal tending, offensive and defensive tactics, passing and in realizing the strategy of the game.

The outlook for next year is positive. If the individual players will take the time to practice and broaden the skills acquired, both the J.V. and Freshman teams should enjoy spirited and competitive seasons in 1983.

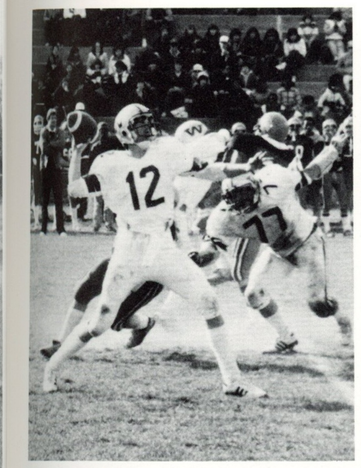


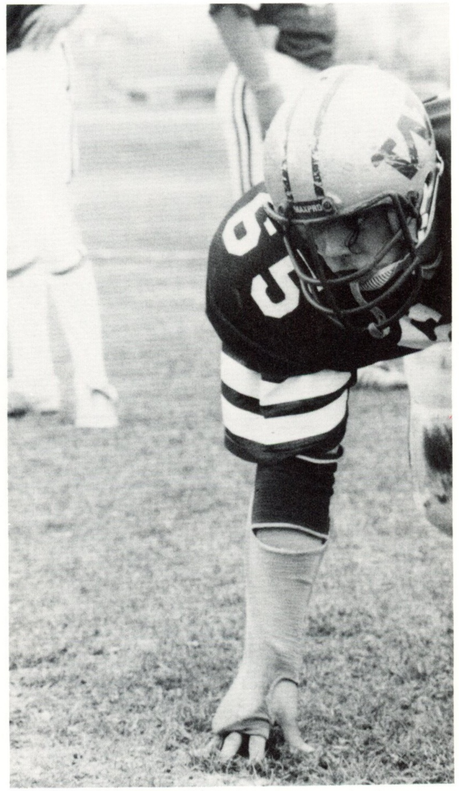
FOOTBALL TEAM

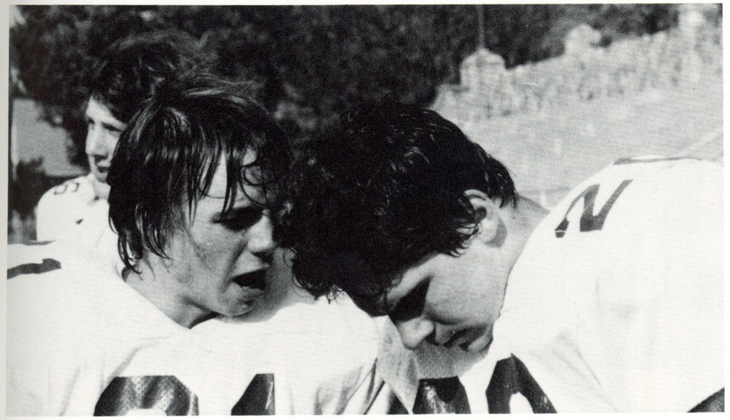
Front Row: W. Parks, S. Beiling. Row 1: G. Everhard, J. Walsh, E. Walzer, K. Neubauer, H. Milton, D. Lucia, D. Trczinski, B. Scholl, M. Broderick, J. Bennett. Row 2: J. Broderick, F. Galletti, A. Clements, B. Shettler, P. Vadas, M. Dowling, D. Robinson, B. Albert, D. Melius, M. Soltes, C. Reister, G. Cantwell, T. Hart, S. Smith.

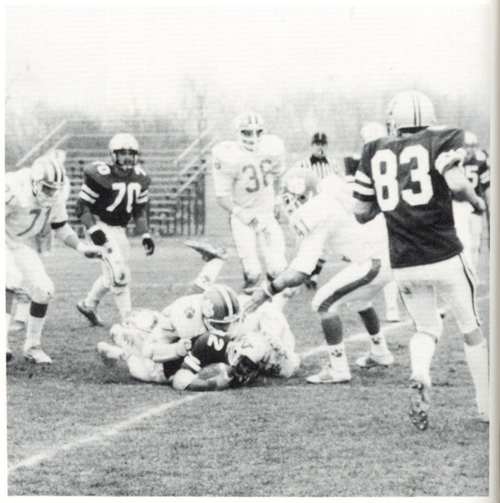
The spirit and success gained by the 1982 Football Team seems to linger still. The record 5-5 reflects the new trend which was set by last years team and it signifies better seasons still to come. Although the goal Coach Coughlin hoped to meet was not achieved, the team still had a memorable season. Winning by wide margins when they did, the Warde team never gave up. The captains, Wayne Parks and Steve Bieling, led the team along with outstanding players Jeff Baker, Hank Milton and Kurt Neubauer.

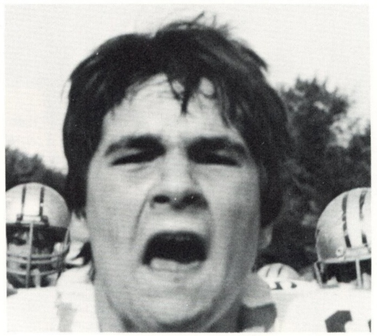
The team work, devotion and tough training payed off and was symbolized by the tremendous victory Warde held over Ludlowe at the Thanksgiving Day Game and it finished the Crimson Eagles' season with class. More importantly, perhaps, it renewed the confidence and determination to succeed next year.

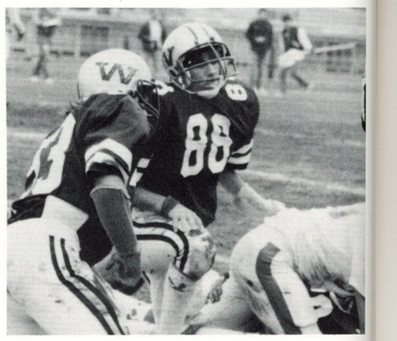


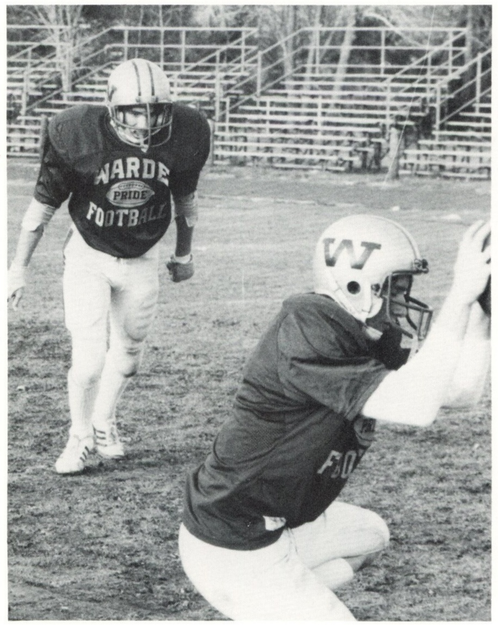




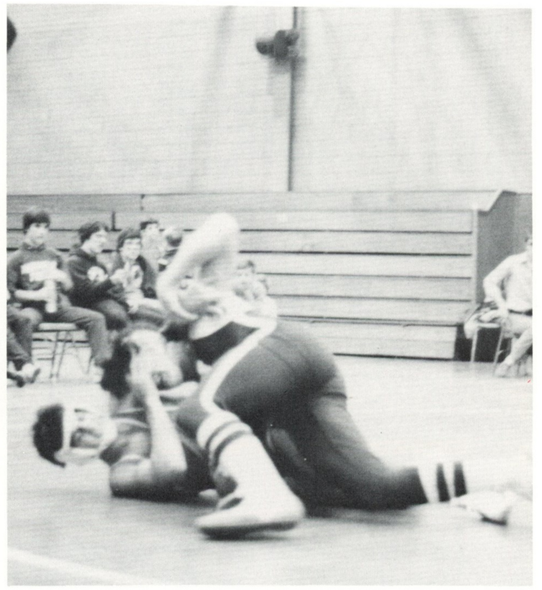








MEN'S WRESTLING



The wrestling team went to a 5-8-1 FCIAC record this year with captains John Johnson, Pete Higgins, and Matt Polis. Tim Sotolongo made all-FCIAC with a 17-0 record as a junior, and John Johnson's 16-1 record earned him a place on the second team. Honorable mention went to juniors Rob Nelson (11-3) and Sean Mack (11-4). Other seniors included Mark Appleman, Darin Dungee, and Joe Cennamo. Dave Paltrinieri, Scott Benedict and Howard Krukwitz saw Varsity action, while Peter Freund, Pete "Oscar" Barufkin, Jay Zweibaum, Brian "ET" Rechtiene, and Alan Velenchek made up the heart of the J.V. team. After a 2-2 start, a number of close losses and an injury to Mark Appleman, the team ended its winless streak against Rippowam. Led by Gumbie, the Midnight Rider, and Smelly Fingers, the team won three of its' last four, including an upset of first-place Darien. With the leadership of Sean Mack and Tim Sotolongo next year, the team hopes to move upward in FCIAC wrestling.

The outstanding players, Pam Hall and Dee Murphy, have contributed their skill and performance to an overall fine team. Life's a funny thing
You take it day by day
And wait for tomorrow
In search of an easier way

And then one day you realize
How quick it all could end
When your heart feels the sorrow
Of the passing of a friend.

CLASS OF 1985

Class of 1985 The Sophomore class tried to make this year profitable by having button sales, car washes, and candy sales in hopes of raising funds for next year's prom. The sophomore class also worked hard on their first Homecoming float and won first prize. The class of 1985 is eagerly awaiting their Junior year for bigger challenges and successes. The officers were President Lisa Scarano; Vice-President Andrea Adzima; Secretary Wendy Deer; Treasurer Gabe Selig; Advisor Mr. Vanghele.

Class of 1986 We, the Freshmen of '86, would like to thank all the upperclassmen for their hardy welcome to Andrew Warde. We are especially grateful for the pool and elevator passes you so graciously sold to us at a reduced rate. We are faithfully saving them for next year's Freshmen. Thanks to the reduced rates, we have some money which we are saving for future events. Our officers were President Jamie Hadfield; Vice-President Jason Loewith; Treasurer Paul Nastu; Miss Boos, Mr. Pagani, Miss Rice, and Mr. Donovan are advisors.

BEST OF LUCK TO THE CLASS OF '83 FROM WS-9

It's been called a cage, a labyrinth, a home. To some, it's just a job; to others, it's a challenge. It never looks quite the same when you've left as it did when you were there.

Some call it large; others say it's small. It can be seen as both good and bad. No other is quite like ours, but it's never very different from others.

If you look at it from the outside, it's a lot of bricks cemented together. From the inside, it's a living thing that moves and breathes.

There is a definite order to its confusion and a direction to its energy. It is a part of its surroundings, but it is self-sufficient if it has to be.

Most importantly, it is a cooperative venture. No one gets anywhere without the rest. To work, it requires all kinds. It symbolizes a lifetime of MAGIC which is only now just beginning. It is Andrew Warde High School.
